

Welcome To The Rope Course Experience

So you've decided to have a day out with a difference. You've made a great choice – whether it's for your colleagues, your students, your family or your mates, The Adventure Rope Course has plenty to offer you.

What next?

Firstly numbers – we need a minimum group size of four – this is because for every one person actually on the course, there will be at least one other on the ground providing safety (under supervision).

You should know that we pride ourselves in the inclusivity of our course. Even if you don't want to leave the ground - your input will be crucial to the success of everyone else. Minimum age is about 8 and there is no maximum – our most mature participant so far has been 72 – can you beat that? We have specialist equipment to suit every shape and size.

What do I get for my money?

When you arrive, you'll be met by a member of our FULLY QUALIFIED and experienced [Safety Team](#). Our team are hand-picked not only for their experience and professionalism, but also for their excellent 'people skills' and sensitivity. They're also a great laugh!

They'll give you everything you'll need.

The Rope Course will have already have been set up according to your preferences before you arrive. You'll then receive full safety training and once your staff member is happy that you've got it then you can crack on. You'll always be supervised, but we're keen to hand the session over to you. You set your own individual goals and support each other to achieve them.

We have full Public Liability Insurance to £5m and are full members of the European Ropes Course Association (www.erca.co.uk). We have agreed to abide by the VERY strict rules given to us governing the inspection, maintenance and use of our course and equipment.

So how much is it?

On group sizes from 4 people we charge the following per person:

- For two hours - £30 on for adults and £20 for kids*
- For a half day (four hours am, pm or evening) - £40 per person, £25 for kids*
- For a full day - £70 per person and £45 for kids*

(*Kids must be supervised – 1 adult per group)
